Dear Examiner Counts:

On July 24, 2002 I filed a Substitute Power of Attorney with the United States Patent and Trademark Office for a listing of patent applications filed on behalf of Intrinsic Bioprobes, Inc. I have attached a copy of that Substitute Power of Attorney for your records.

In the time since the Substitute Power of Attorney was filed, the mailing address for some of these patents has been changed to my firm mailing address; however, there are also several of the patents for which mail is still being sent to The Halvorson Law Firm. This letter is to request that you please confirm that the mailing address for each of the above-referenced patent applications, for which you are the assigned examiner, reflects the following firm information:
